

23 April – On Farm Connectivity Program – Webinar 3

Description

Join the National Farmers' Federation for a free webinar to hear how two primary producers have benefited from the \$30 million Australian Government's On Farm Connectivity Program grant.

In this info-packed 60-minutes, you'll learn:

- Real life experiences of farmers using the program to improve their farming operation.
- Important information on Telstra's 3g closure and how to best be prepared.
- How the staff at Regional Tech Hub are providing advice to primary producers across Australia with their OFCP support service.

Whether you're just exploring your options or ready to dive in, this webinar provides the practical guidance you need to upgrade connectivity on your farm.

Seats are limited, so reserve your spot now! Register here for the NFF On-Farm Connectivity Webinar
