

## Connect Grants

### Description

•

# Regional Tech Hub Connect Grants

## 2025 funding round is now complete

We're thrilled to announce the **2025 Connect Grant recipients!**

With applications from right across rural, regional and remote Australia, this year's successful projects will make a real difference—helping communities better understand, navigate and troubleshoot their connectivity challenges.

At the Regional Tech Hub, we know that local people understand local needs. These grants put the tools and knowledge directly into community hands, empowering on-the-ground, face-to-face support where it matters most.

From workshops and roadshows to toolkits and tailored resources, the funded projects will spark fresh opportunities to build connectivity literacy across Australia's diverse regions.

More than sixty organisations will receive funding in 2025.  
For the full list, click [here](#).

## Want to attend one of the Connect Grant events?

Connect Grant events are listed on our [events](#) page.

## More information

For more information on the 2025 Connect Grants, read the media release from The Hon Anika Wells MP, Minister for Communications.

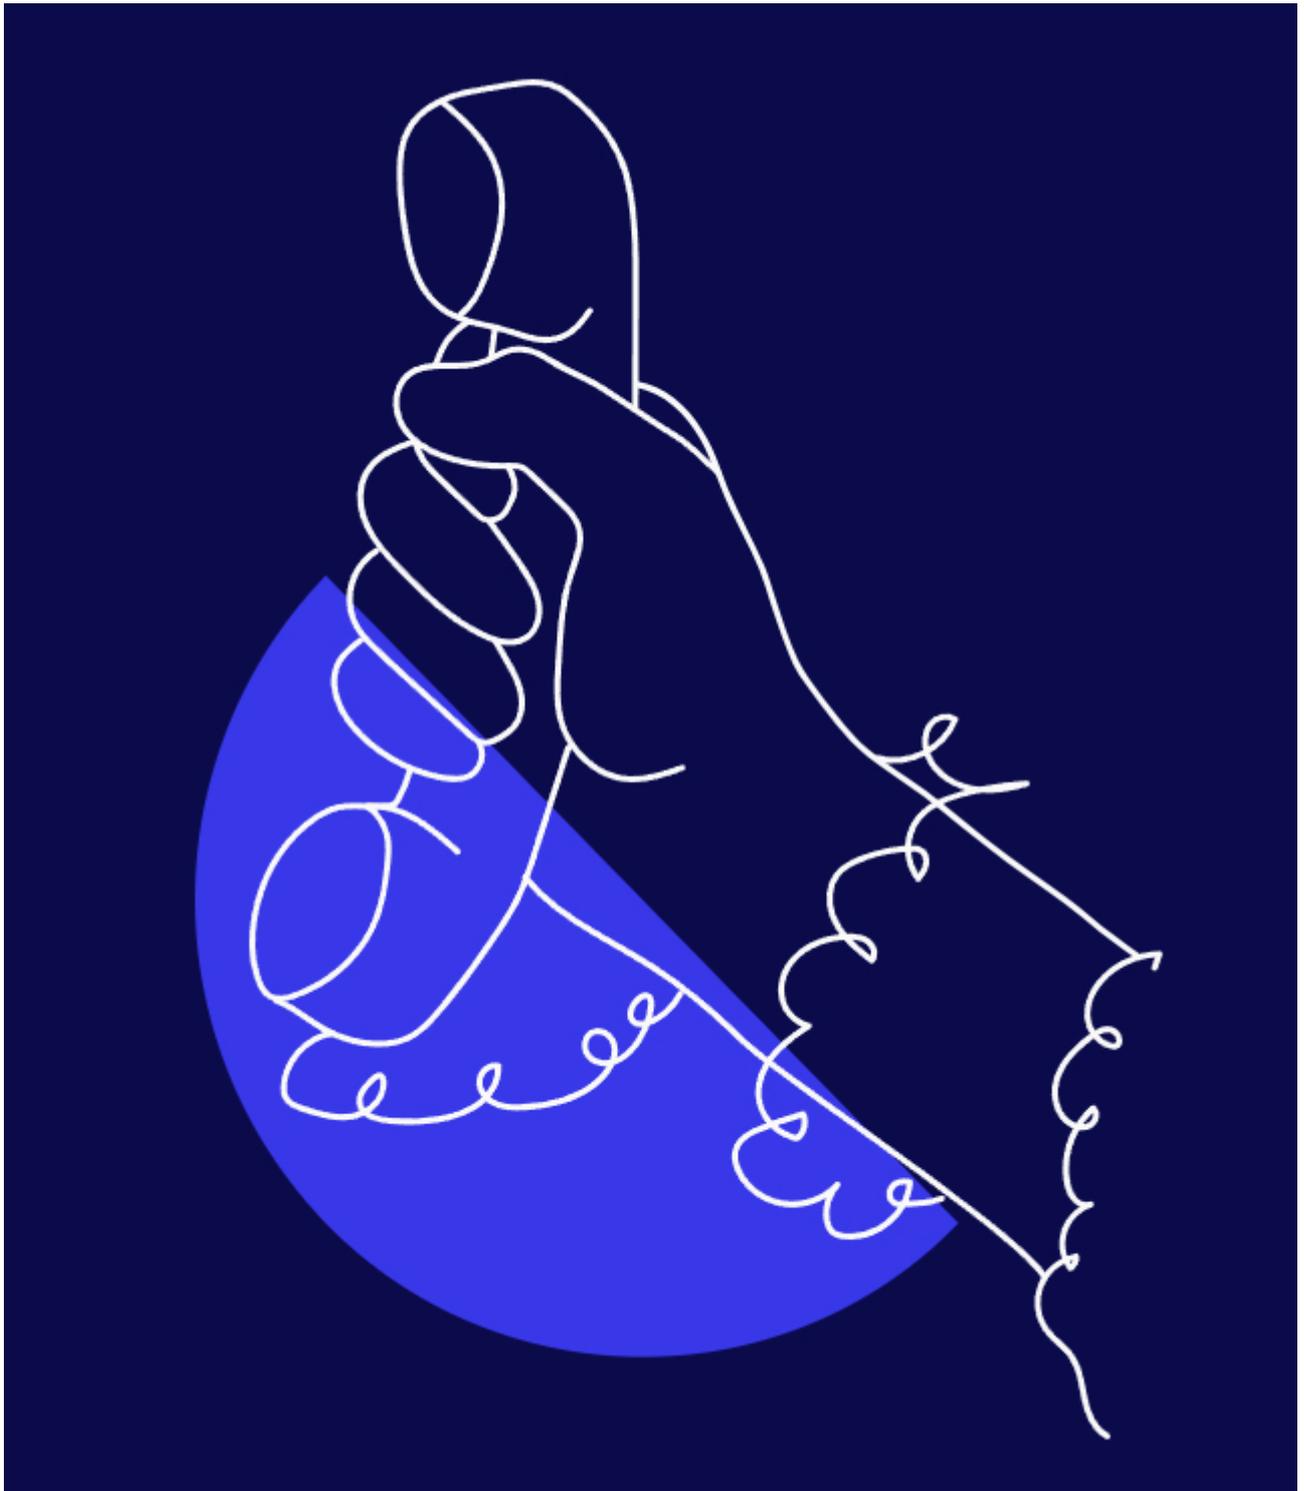

## Regional Tech Hub event sponsorship opportunities

Event sponsorship applications remain open until all funds are utilised. To find out more, contact the Regional Partnerships Officer in your State.

Regional Partnership Officer	State	Email	Phone
