Resources for improving connectivity knowledge

If you want to improve your connectivity literacy, we've pulled together some useful resources for you below.

- ## Here are some tools we recommend

Tool	Description
------	-------------

[Get ePrepared](#)

Free, online self-help tool by Justice Connect and Telstra. Offers step-by-step guidance on securely storing electronic copies of essential documents. Ensures no matter what emergency, disaster or crisis situation you find yourself in, you can easily access documents to prove your identity, address and much more. It also helps to build the digital skills of Australians.

[Successfully set up your home internet](#)

nbn® Online Skills

Interactive tool by nbn® to assist in making informed decisions for optimal home internet setup.

[OSCAR](#) is an interactive tool by nbn® to measure digital capabilities and provide learning opportunities. Assess your understanding and enhance digital skills through this quick quiz (5 minutes).
